Chemical Engineering
University Name

Dear **Search Chair Name** and Members of the Search Committee,

I'm writing to apply for the position of **Position Name**. Insert an introduction paragraph here. Explain your motivation. Why **University Name (UN)** is the ideal place for you to start your academic career? What are your research interests? Why are you uniquely qualified for this position?

I propose the following research topics as a faculty member at **UN**: 1) insert the title of the proposed research topic, accompanied by a short description and 2) insert the title of the proposed research topic, accompanied by a short description. Insert more detailed research background to support your proposed research.

Add additional information if needed.

I look forward to the opportunity to discuss my application further.

Sincerely,

Your Name
